S. T. C. FALL TERM TO OPEN SEPT. 9

INDICATIONS THAT ENROLLMENT WILL BE CONSIDERABLY INCREASED

NEW FACULTY MEMBERS

Dr. J. F. Rogers, Miss Margaret James, Miss Julia Isensee and Prof. H. A. Foster Accept Positions.

The fall term of the State Teachers College will open Sept. 9. From inquiries received from prospective students, it seems probable that the enrollment will be considerably increased. The administration is very busy at present planning to care for the work of next year.

Miss Mable Arnett, who has been teaching in the College this summer, will continue in the educational department here next year. This still leaves one position in this department yet to be filled.

Miss Margaret James of New York City will have charge of the work in public school music. She has had her training under private teachers in New York and at Teachers College.

Miss Julia Isensee has been chosen as director of physical education for women. Miss Isensee is a graduate of the University of North Dakota and has had some work at the Chicago Normal School of Physical Education. For the past two years, she has been an assistant in the department of physical education in the University of North Dakota.

Dr. J. F. Rogers has been secured as director of the department of physical education and public health. He is a graduate of the New Haven Normal School of Gymnastics and of the Yale Medical College. He has almost finished the requirement of the Yale school for the degree of Doctor of Public Health. Dr. Rogers has served as assistant in the Yale Medical College, teaching anatomy, physiology and physical diagnosis. He was also medical inspector of the New Haven schools. Dr. Rogers is editor of the Proceedings of the Connecticut State Medical Society.

Mr. Henry A. Foster, who has been with the Y. M. C. A. abroad for the last year, will resume his work in the history department.

Miss Tessie Degan has been appointed private secretary to President Richardson, Miss Ward having resigned on account of ill health.

Other appointments are not ready for announcement at this time, but all applicants under considerations have had first class training in their particular line and a complete and efficient force of instructors will be on hand Sept. 9.

FORMER SHERIDAN WOMAN KILLED IN AUTO ACCIDENT

Mrs. Ross Strawbridge in North Dakota: Was Former Student at College Here.

Mr. and Mrs. R. A. Strawbridge received a message last evening stating that their son's wife, Mrs. Ross Strawbridge, had been killed in an automobile accident. No particulars of the accident were given. Mr. Strawbridge who lives with his family on a ranch near Stanton, N. Dak., left this morning with the body for Sheridan, Mo., the home of Mrs. Strawbridge's mother, Mrs. Ella Armstrong, where the funeral will be held. Mr. and Mrs. Strawbridge of this city will attend the services.

Mrs. Strawbridge, about 30 years old, was formerly Miss Bess Armstrong and she and Mr. Strawbridge were married nearly eight years ago. They have two children, Opal and Richard, who with the father survive. Her mother and a brother and two sisters also survive. Mrs. Strawbridge was a student at the State Teachers College here before her marriage.

COLORED PEOPLE WILL CELEBRATE

EMANCIPATION PROCLAMATION AND DOUGLAS CORNER STONE LAYING

K. C. BAND IS TO PLAY

Many Features at Emancipation Celebration: "Shike" Smith to Give "Human Fly" Demonstration.

The oolored citizens of Maryville have made plans for a big day tomorrow, the occasion being the two fold celebration of the signing of the emancipation proclamation and the corner tone laying of the new Douglas school in this city.

The program will begin promptly at 10:30 o'clock tomorrow morning with a band concert at the court house square. The American Federation of Musicians, known as the Knight Templar band of Kansas City, will furnish the program under the direction of J. Louis Gamble. Following the concert, a parade will form at the Colored Masonic Hall at 1:30 and will march to the Douglas school where Mayor W. O. Gerrett will make an address of welcome in behalf of the city of Maryville. Prosecuting Attorney Charles E. McCaffrey will speak in behalf of the county, and E. E. Williams, in behalf of the School Board will tell of the progress of Douglas school during the past years. After his talk, he will present the stone laying tools to Grand Master Fields. Under direction of Grand Master Fields, the ceremony will be conducted by the W. W. Grand Lodge of Missouri and jurisdiction.

Following the ceremony, Prof. J. M. McDonald, superintendent of the Maryville schools, will make an address on the past conditions of the school and the necessity of future attendance and co-operation.

The emancipation celebration will be held at the high school grounds immediately following the corner stone laying.

Hon. N. C. Crews, editor and orator, who has been coming here for the past score of years will deliver the principal address, taking a general patriotic topic as his subject. He will be followed by Dr. Clement Richardson, president of Lincoln Institute, Major E. C. Braniger, late of the United States Army, and other speakers. Mrs. W. A. Mitchell, Jr., of Maryville, will read the Emancipation Proclamation in full.

Following the talks a free for all pie eating contest will be held and a number of foot races and other athletic events. One of the big features of the celebration will be the "human fly" exhibition of "Shike" Smith, who will scale the court house wall at 7:30 p. m. At 8 o'clock a big public band concert will be held at the court house square and the closing events will be a dance at the Armory and a reception at the Masonic Hall.

Miss Rilla Oliver of Broken Bow, Neb., is visiting Miss Irene Aley of Arkoe. Both young ladies will leave Monday for Kansas City to remain until August 8 when they will go to Broken Bow, where Miss Oliver is in the millinery business. Miss Aley is her trimmer.

TO[illegible] WORK ON [illegible]" TRAIL

PLANS MADE AT ATLANTIC MEETING FOR NEW AUTO HIGHWAY

AN ASSOCIATION FORMED

Clarinda Com'l Club to Start Work; Cost of Marking to Be Shared by Towns Along Route.

Plans for the beginning of active work on the new M-C automobile trail which is to extend Maryville to Carroll, Iowa, were taken at the meeting last night at Atlantic, Iowa, which was attended by representatives from the various towns along the route. George A. Pickens, C. F. Remus, M. A. Hahn, and Paul Pickens, attended from Maryville, and G. L. Yaple of Burlington Junction, and Guy Clary of Clearmont, were also present.

During the meeting an election of officers of the M-C Trail Association was held, and the following men were chosen as officers: President, Mr. Hansen, Secretary of the Commercial Club at Atlantic; Vice President, Geo. Weaver, Audubon, Iowa; Secretary-Treasurer, Lester Milligan, Clarinda.

A director was appointed from each town represented at the meeting, and each town belonging to the Association will be entitled to one director on the Executive Board. The Missouri Directors are: H. L. Raines, Maryville G. L. Yaple, Burlington Junction, and Roy Hanna, Clearmont.

The trail is perhaps the most needed in this section of the state as the people from the south as far as Kansas City want a well marked route and a good road from Maryville to Carroll where they can connect up with any of the late trails farther north.

The Clarinda Commercial Club has made plans for the start of work on the marking of the trail at once. A number of men will be employed at that place who will make a tour of the trail, marking the posts en route with the M-C insignia. The expense of this work will be carried equally by the various commercial clubs at the towns along the route, and each community will furnish a man to assist in the marking through the town.

The purpose of the markings will be to furnish an easy and efficient route for the tourists to follow. Two posts will be marked on every mile of straightaway and at the corners three marks will be placed to guide the traveller, with proper indicators showing the direction of the route. The mark is to be of red, white and blue stripes, with the leters "M-C" in black. Special care will be taken to mark the trail plainly through the various towns

The visiting representatives were the guests of the Atlantic Commercial Club at a banquet at that place last night.

NATURALIZATION OFFICER TO BE HERE AUGUST 4

Wants to Meet All Returned Alien Soldiers and Tell Them of New Ruling Regarding Citizenship.

Douglas Mote, United States Naturalization Examiner, has written Circuit Clerk Henry Westfall that he will be in Maryville August 4. The purpose of his coming is to talk over matters relative to the naturalization rulings and particulary the matter of the naturalization of alien soldiers who have been honorably discharged from the United States Army.

Mr. Mote wishes to meet all such honorably discharged soldiers when he is here on that day and inform them as to the method of proceedure for them to take. The government recently passed a ruling which favors returned alien soldiers in that it permits them to waive the usual method of declaration of their intentions to become citizens and does away with a considerable loss of time between the taking out of the first and last papers.

ICELESS DAYS MAY COME INTO VOGUE

WM. EVERHART SAYS SUPPLY IS DOWN TO 50%—FAMINE LIKELY

"CAN'T GET THE WATER"

Can Furnish Ice If He Can Get Water —City Engineer Says There Is Normal Supply.

"Last summer it was meatless and wheatless days that took the joy out of life but now it is to be iceless and waterless days for Maryville," said William Everhart of the Everhart Ice Co., in an interview this morning. "The ice situation in Maryville is reaching a critical stage, due to the shortage of the water supply."

"The supply of natural ice is gone and my artificial ice plant is the only source of ice for the city of Maryville. I cannot buy ice in St. Joseph or Kansas City because they have none for out of town trade as the supply for themselves is not sufficient. This morning a call came to me from Kansas City, asking me to ship them ice, which shows that there is little hope of shipping ice into Maryville to make up for the shortage here.

"My plant has a capacity of a little more than fifteen tons per day. The demand for ice in Maryville during the distressingly hot periods like the present runs from fifteen to twenty tons per day.

"At present I am only turning out a little more than half my capacity for the simple reason that the water supply is only fifty per cent normal. The engineer at the water station tells me that the old pumps simply will not pump a sufficient quantity of water and there is no immediate remedy in sight.

"I have been forced to refuse ice the past few days to people, many of them farmers, because there was not enough to supply them and the business houses of Maryville that must have ice.

"The hospitals, hotels, restaurants, meat markets, and other establishments which must have ice for the keeping of their produce from spoiling must be supplied. People will have to quit the making of ice cream and the use of ice except for necessary purposes because the situation grows worse daily and, so far as I can see, there is no hope for relief in sight."

The engineer at the water plant stated today that there is no serious shortage of water and no cause for worry because the water supply and pressure are nearly normal today. He admitted that for a part of the time yesterday there was very little pressure, but it was not the fault of the pumps which recently have been overhauled and put into good condition. While the dam was being fixed the water supply was for a time cut short, but the dam has been repaired and there will be no more trouble from that souce now. Mayor Garrett is out of town today so that no statement could be gotten froom him.

Guest at Burris Home.

Miss Ruth Smith, a registered nurse of St. Joseph, came last night for a visit at the home of Rev. and Mrs. W. P. Burris.

NODAWAY FARMER TAKES OWN LIFE

CHARLES E. SPRAGUE A SUICIDE AT HOME LAST NIGHT

MENTALLY UNBALANCED

Lower Part of Head Blown Away by Shotgun Charge; Was to Have Been Taken to St. Joe Hospital Today.

Charles E. Sprague, 50 years old, a farmer living 4½ miles northwest of Maryville, committed suicide at his home at 7:15 o'clock last night, using a 12 guage shot gun to blow away the entire lower part of his head.

Sprague had been suffering from melancholia for the past fifteen years, and had recently been paroled from Hospital No. 2 at St. Joseph. During the past few days his condition has become worse and plans were made by Sheriff Dowden to return him to the hospital this morning. This is thought to have been the cause of his rash act last night.

According to John Sprague, father of the dead man, his son had never married and was making his home at the farm with his father and an aunt, Mrs. Ella Sprague.

Fifteen years ago Sprague was adjudged insane by the county court here and was sent to the hospital at St. Joseph. After spending several years there he was paroled, and returned to the farm, where up until about two months ago he had been engaged in successful agricultural work, suffering only short intermittent spells of the ental trouble. Early last June he became worse and was taken to the hospital by Sheriff Dowden, and spent one month there. He was later paroled and since that time has appeared fairly well balanced and has been carrying on the usual work and management of the farm.

Within the past few days, however, he began to worry about the threshing and other work of the farm, and according to his father, continually talked of the difficulties in getting help. Yesterday he seemed to be more worse than ever, and the idea that he was to be taken back to the hospital this morning is thought to have preyed on his mind to such an extent that he determined to take his life last night.

The elder Sprague stated today that when his son came to the house from the fields last night, he went immediately to his room. He was called for supper but did not respond and within a short time a shotgun report was heard and he was found lying dead across the bed. The shotgun containing an undischarged shell was lying on the floor near the dead man. From the position of the body it was evident that he was in a sitting posture on the bed when he committed the act. The entire lower part of his head was torn away by the charge.

According to the dead man's father, his son has never actually spoken of an intention to take his own life, but has often made remarks which suggested that he might resort to such an act. At times he appeared bright and cheerful, but during the spells of melancholia would shun the companionship of others, and would sometimes go for several days without uttering a word.

Following the tragedy last night, the body was brought to the Price & McNeal undertaking establishment in this city.

Aside from his father and aunt which whom he has been making his home, the dead man has no immediate relatives.

The final arrangements for the funeral have not yet been made.

SOVIET INDEPENDENCE DECLARED BY COMMUNISTS

Soviet Troops at Budapest Refuse to Quell Demonstration of Striking Metal Workers.

FOUR TEACHERS SELECTED AT SCHOOL BOARD MEETING

To Extend Vocational Work in Maryville Schools; To Come Under Approval of Smith-Hughes Act.

At a meeting of the school board held last evening four teachers were selected. Miss Hazel K. Perry of Maryville was chosen as the Latin teacher in the high school at a salary of $85 a month. Miss Perry taught last year at Salisbury, Mo.

Miss Doris Clutter of Hopkins, was chosen as a grade teacher at a salary of $65 a month.

Miss Katherine Carpenter of Maryville was selected as the Smith-Hughes teacher in Domestic Science and Home Economics on condition that the school be approved under the Smith-Hughes act. By terms of the Smith-Hughes act the state and federal governments assist the local district in paying half the salary of a vocational teacher after the school has been approved. This vocational work is an extension of the subjects along the same line which have been given in Maryville. The girl who takes the vocational home economics course will spend half of her time for two years in the study of home economics alone. In home economics such projects are suggested as making a simple dress, mending one's own clothing, keeping account of the household expenditures, designing and construction of hats, or marking out and following an ideal clothing budget for a high school girl for two years. The purpose of such a course is to give practical instruction to the student in things the student will be doing for a great part of the time, after school days are over. Miss Carpenter's salary was fixed at $100 a month.

Loren Schnabel, who is attending the State Teachers College, was employed on half-time as assistant in manual training at a salary of $30 per month.

The board ordered that four new typewriters be purchased and that four typewriters be rented for the commercial department.

FUNERAL SERVICES FOR WILLIAM MORTON TOMORROW

To Be Held at 2 P. M. at Wesley Chapel —Other Accident Victims Expected to Recover.

Funeral services for William Morton, who was killed yesterday morning in an accident at the Craig crossing when the Burlington passenger train struck the car in which he was riding, will be held tomorrow afternoon at 2 o'clock at Wesley Chapel six miles west of Maryville.

William Wiseman and Delbert Morton, who were injured in the accident, were reported as doing fairly well today and are expected to recover.

REFERENDUM ELECTION FOR CHICAGO STRIKE SETTLEMENT

15,000 Employees to Vote for Acceptance or Rejection of Compromise Terms.

Chicago, July 31.—A referendum election expected to lead to the settlement of the street car strike will be held tomorrow when fifteen thousand employes of the surface and elevated lines vote for acceptance or rejection of the compromise submitted by the traction companies. The referendum was ordered by W. D. Mahon, international president of the carmen's union after conferences with union officials, company officials and state authorities.

TROOPS BATTLE BLACK RIOTERS

SOLDIERS CAPTURE SEVEN ARMED NEGROES IN CHICAGO LOOP

WHITES RENEW FIGHTING

Negroes Returning to Work at Stockyards Attacked by Whites Several Injured.

Chicago, July 31—Despite the presence of six thousand troops, armed with rifles, bayonets and machine guns, in the riot zone, race rioting broke out again today on the South Side when a mob of whites attacked negroes who sought to return to work at the Stockyards. Soldiers allowed the colored workers to pass through the stockyards gates. The whites immediately attacked the negroes, driving them into packing town. Several were injured.

Chicago, July 31.—The United States troops took a hand in fighting in riots for the first time today when Captain Maloney in charge of the motor transport corps permanently located here, ordered the men to return the fire of an automobile load of negroes who made a dozen trips around the block in which the motors of the company are located, fired at the troops each times they passed. The troops took up the pursuit and captured seven men and two revolvers, and a quantity of ammunition, which they turned over to the police.

WILSON TO TAKE DRASTIC ACTION ON H. C. L. SITUATION

"Reduce The Daily Increasing High Cost of Living or Face Bread Riots" is Warning.

Washington, July 31.—"Reduce the daily increasing high cost of living or face bread riots". That in effect is the chief slogan that is being impressed on President Wilson and his chief aid by the National Labor Sociological leaders. It is expected here that President Wilson in the near future will ask Congress to take drastic action to end the situation which is daily becoming more intolerable. "The president is giving deep and thoughtful consideration to the question of the high cost of living" said Secretary Tumulty today.

U. S. TA SHARE IN INDEMNITIES FROM HUNS

Bernard Baruch Declares Wilson does Not Favor Reparations From Germany.

Washington, July 31.—President Wilson's view is that the United States should not share in the indemnities to be paid by Germany, Bernard Baruch, confidential advisor to the president at the peace conference, told the senate foreign relations committee today, at the first public hearing on the treaty of Versailles. Baruch stated that the distribution of the indemnities to be paid by Germany is still to be determined.

MISSOURI PIONEERS PLAN FOR PICNIC NEXT SATURDAY

Affair to Be Held at New Florence, Near Montgomery; Governor Gardner to Talk.

Montgomery, Mo., July 31.—The thirty-eighth annual meeting and picnic of the Missouri Old Settlers' Association will be held at New Florence near here, Saturday.

Men who served in the army and navy during the war will be honor guests, and there will be several speakers of prominence. Those who have accepted invitations include Governor Gardner, former Governor Joseph W. Folk and former Senator Xenophon P. Wilfley.

General Pershing has written from France a message to the people of his home state.

Conditional acceptances have been received from former Speaker Champ Clark and Senator Selden P. Spencer, who say they will be present if their duties at Washington do not interfere.

President H. C. Turner of the association has issued a general invitation to all Missourians to take part in the event.

Probably the oldest person in attendance will be Mrs. Mary Sharp, who will celebrate her 100th birthday anniversary next year. She was born in Shelbyville, Ky., and came to Missouri in 1839, to teach in the Robinson Seminary at Danville.

Mrs. Mary See, 86 years old, also is expected to attend.

INCREASE RATE APPLICATIONS

Jefferson City, July 31.—Two applications for increased rates will be heard at Sedalia by Commissioner Simpson and Flad of the State Public Service Commission August 11 and 12.

One is for an advance of street railway fare in that city from five to six cents.

The other is an application of the City Water Works Company which not only seeks a sharp advance in rates but an increase in the valuation of its property and plant by the commission.

BELIEVE SEVERAL KILLED IN TULSA EXPLOSION

Tulsa, July 31.—Several men are believede to have been killed when a still at Cosden Refinery here exploded this morning. Every available ambulance in the city has been sent to the Refinery, where the flames are making the rescue work difficult. It is feared that many have been trapped by the fire.

Tom Culver Is Home.

Tom Reily Culver, son of Mr. and Mrs. William Culver, who live at the corner of Ninth and Fillmore, arrived in Maryville last night from Camp Zachary Taylor where he was recently discharged.

Tom left Maryville to enter military service Nov. 10, 1917, going in the Reserve Signal Corps. In February, 1918, he went overseas and for a year and a half served Uncle Sam as a Signal Corps man on foreign soil.

Mr. Culver was employed at the Hanamo Telephone Co. when he left and will take up his work again with that company in a few days. He was the last of four of the telephone employees who enlisted May 31, 1917, in the Reserve Signal Corps to return home. The other three were: Homer Cecil Dragoo, Charles Bell Ellis, and Bliss Fred Clark. Although these men enlisted in May they were not called until the following November.

Miss Louise Lee of St. Joseph, who has been visiting at the home of Ruth Young, returned to her home yesterday.

WHEAT MAKES 20 BUSHELS AN ACRE ON SHUPE FARM

Is Threshing Out a Large Wheat Crop on Platte River—Neighbors Assist Mrs. Shupe.

E. Shupe, a farmer living three miles south of Ravenwood ,on the Platte river, is threshing out his wheat of which he has several hundred acres. The grain is making a yield of twenty bushels to the acre on an average.

Mr. Shupe lost a considerable quantity of wheat on July 4 when the Platte river flooded a part of his fields and washed away about fifty loads of shocked grain.

The neighbors have been very kind in assisting Mrs. Shupe with the preparation of meals for the many threshers. The assistants who so willingly lent their services to Mrs. Shupe were: Mrs. Ellsworth, Mrs. Hawk, Mrs. Davenport, Mrs. C. T. Brown, Mrs. Henry Moore, Mrs. Riley, Miss Margaret Davenport and Miss Florence Brumbaugh.

Mr. and Mrs. Thomas Lyons spent Sunday in Parnell with Mr. and Mrs. George Spire.

Mrs. A. D. Arnett and children, Robert and Gertrude, expect to leave the latter part of the week for Bellingham, Wash., where they will make their future home.

New Silks for Late Summer and Fall

These beautiful fabrics are becoming more and more popular as the season advances, and to keep pace with the constant demand we have been obliged to replenish our stock from time to time, and each new arrival seems to be just a little prettier than usual.

This line includes all the styles of silk fabrics and the patterns and colorings are especially handsome.

In the lighter weights you will find an excellent assortment for the vacation dresses, skirts and blouses so necessary to the "going away" wordrobe.

In the heavier silks for dresses, blouses and trimmings or for fall wraps, suits and coats, we are sure our showing will more than please you.

In these silks quality is the first consideration, but prices are very reasonable and values are never surpassed and seldom equaled.

The Value of Your Tractor Is Based on the Service It Gives

IF it works all the time it is worth all you pay for it. You can keep it working all the time by using the right kind of lubricating oil.

One burned out bearing will offset the cost of a year's supply of lubricating oil. The Standard Oil Company has prepared three oils —

Heavy Polarine Oil
Stanolind Tractor Oil
Extra Heavy Polarine Oil

Years of experience and study have developed that one of these three oils is the correct oil for you to use. The nearest Standard Oil representative has a chart prepared by our Engineering Staff, which indicates the correct oil for you to use to get the best results in your particular tractor.

We have just published a 100-page book, "Tractors and Tractor Lubrication," prepared by our Engineering Staff, which you will find a valuable reference book, and we believe it will save you many days of tractor idleness with the resultant money loss. It's free to you for the asking. Address

Social, Clubs Churches

Our Side of the Case.

It is an easy job they say
This knocking out the news;
A wedding here, a party there,
Sometimes a week-end snooze.

A bathing party on the beach,
A picnic at the park,
A "little game" when the sun is bright
And many when it's dark.

But when the day is long and hot
And we don't know what to say,
Well—we have to resort to stuff like this
To try and earn our pay.

W. C. T. U. Meeting.

The Woman's Relief Corps will meet in regular session tomorrow afternoon at 2:30 o'clock.

I. X. L. Club.

Twelve members of the I. X. L. Embroidery Club were entertained informally yesterday afternoon by Mrs. Robinson Craven, at her home on West Second street. The afternoon was spent in needlework, after which light refreshments were served by the hostess and Mrs. Cooper Gooden. Mrs. Harry Kerr of Des Moines, Ia., and Miss Leone Kelly of Manti, Utah, were guests of the club.

Mrs. Ford Hostess.

Mrs. J. D. Ford was hostess yesterday afternoon to the Penelope Club, when ten members and a number of visitors were entertained. The time was spent socially and refreshments were served by Mrs. Ford, assisted by seven College students, who make their home with Mr. and Mrs. Ford. Misses Veturia Faubion, Winifred Drake, Marjorie and Ruby Ewing, Kahla Bennick, Grace Miller and Nona Pousch. Additional guests were Mrs. Brint Embree, Mrs. Paul Hogan, Mrs. W. C. Hogan, Mrs. W. J. Lininger, Mrs. R. C. Seal, Mrs. Warren Jones and daughter, Elizabeth, Mrs. Alva Kelly and daughter, Pauline, Mrs. John Thompson, Miss Ruby Melvin and Mrs. G. W. Jones. It was decided to discontinue the meetings during August.

Fifty-Second Wedding Anniversary.

Judge and Mrs. Ira K. Alderman are very quietly celebrating their fifty-second wedding anniversary today at their home on South Main street. On the 31st of July, 1867, Judge Alderman married Miss Hallie S. Lallance, of French-American origin, daughter of John Lallance, a resident of Ohio. She was born in Meigs County, Ohio, May 12, 1845. Their family consists of three children, Dale V. Alderman of St. Joseph, who came to spend the day with his parents, Mrs. Ade A. Bingaman of Cordell, Okla., and Ira Verne Alderman, proprietor of the I. V. A. hotel in this city.

Judge Alderman was born in Morgan County, Ohio, May 23, 1841. When seventeen years of age he commenced teaching, and after having taught three years the war broke out. He enlisted on the 12th of August, 1861, in Company B, Thirty-sixth Ohio Volunteer Infantry, which was under General George Crook. He served for over three years, taking part in some of the hardest fought battles of the war. He was discharged at Columbus, Ohio, on the 14th of September, 1864. In the latter part of December, 1865, he came to Maryville, where he engaged in teaching. In the summer of 1867 he returned to Ohio. In October, 1868, he returned with his wife to Maryville. The fall of 1870 he was elected judge of the probate court of Nodaway County and filled this position for four years. He commenced the study of law while in Ohio, but completed his studies here, and was admitted to the bar in 1871. In 1874 he actively engaged in the practice of the law, his profession. Judge Alderman has been an active member of the First M. E. Church for a number of years.

This estimable couple, who have made their home in Maryville for fifty-one years, have a host of friends who extend congratulations and wish them many happy returns of the day.

For Returned Soldier.

Mr. and Mrs. John Lowrance entertained with a basket dinner Sunday in honor of the return from service of their son, Earl. The afternoon was spent socially and ice cream was served. The following guests were present: Mr. and Mrs. Ed Clark, Mrs. Jessie Winger and family, Mr. and Mrs. Ed Lowrance and son, Mr. and Mrs. John Hughes and daughter, Edna, Mrs. D. B. Linville and family, Mr. and Mrs. Lewis Daise and daughter, Ellen, Philip Shull, Mr. and Mrs. Joseph Shull, Frank Lawson, Mr. and Mrs. Walt McGinness and daughter, Leora, Mr. and Mrs. Tom Groves, Mr. and Mrs. Charley Groves, Mr. and Mrs. Dallas Groves and son, Max, Mr. and Mrs. George Gaddy and family, Mr. and Mrs. Harry Wright, Mrs. Pearl Rollans and children, Leone and Loran, Gladys Neuffer, Misses Ethel McCombs, Marie Howland, Lora nad Florence Gaddy, Verde Owens, Marie Frost, Nettie Sperling, Harriet and Ted Wright and Lela Wessel.

Automobile Trip.

The Junior congregation of the Baptist church will be entertained with an automobile trip to Skidmore, Burlington Junction and other places in the county tomorrow afternoon, after whic they will return to Maryville for a picnic supper at the College Park. The congregation includes seventy-five or eighty Sunday School children who have attended church 90 per cent of the time during the last four months. Automobiles will leave the church at 1:30 o'clock in the afternoon.

I. I. Club Meeting.

The I. I. Club met yesterday afternoon at the home of Mrs. Lon Hughes. At the business meeting officers for the coming year were elected as follows: President, Miss Ilene Babb; vice president, Mrs. F. L. Wynn, and secretary-treasurer, Mrs. John Deardorff. The remainder of the time was spent socially and refreshments were served by the hostess. Those present were Mrs. Charles Garrett, Mrs. Ed Babb, Mrs. Brice Hall, Mrs. Jos. Cockayne, Mrs. John Deardorff, Mrs. James Onstott, Mrs. Clade Shell, Mrs. Clarence Duncan, Mrs. Ray McDowell, Misses Lida Onstott, Sarah Garrett, Irene and Leta Babb, Pearl Booth, Ella Marjorie Shell, Oren Garrett, Lester Hall, Swinford Shell, Theocore and Vilas Cockayne, Forrest McDowell and Raymond Deardorff. The next meeting will be August 13 at the home of Mrs. John Halasey.

Some Pancake!

If all the wheat that Kansas is raising this year were ground into flour and made into one pancake, that pancake would cover six hundred square miles, says

The COUNTRY GENTLEMAN

in the issue of August 2—the first you will receive if you send me your subscription today. It would take forty-eight million pounds of butter, and forty-five million gallons of molasses to cover the big pancake. And Kansas boasts that she raises it all.

This year's wheat crop interests every farmer, for every one put in as much as he could to get some of the Government's $2.26 fixed price. What are you going to raise next? Sheep? Here's an article about the Corriedales. Velvet beans? Here's their story from A to Z. Pigs? Here's their story, too. Berries? Here's all about this year's crop and next year's prospects. Whatever it is you raise—crops, livestock, fruit, truck or poultry—you will find help in THE COUNTRY GENTLEMAN. The cost? It's almost nothing at all in comparison. Only one dollar for a whole year, with 52 big weekly issues. Why miss another number? Send your name and your dollar *today*.

A THOROUGH TEST.

One to Convince the Most Skeptical Maryville Reader.

The test of time is the test that counts.

Doan's Kidney Pills have made their reputation by effective action.

The following case is typical.

Maryville residents should be convinced.

The testimony is confirmed — the proof complete.

Testimony like this cannon be ignored.

Mrs. R. Snyder, 1008 E. Third St., Maryville, says: "I had pains across my kidneys for sometime. I felt tired all the time and couldn't rest well at night. Doan's Kidney Pills gave me great relief. The pain from my kidneys left, the feeling of languor disappeared and my health improved." (Statement given October 2, 1912).

On June 12, 1916, Mrs. Snyder said: "It hasn't been necessary for me to use a kidney medicine for about two years now, so I know Doan's Kidney Pills have given me permanent benefit. I gladly endorse this medicine, for I think highly of it."

Price 60c, at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills — the same that Mrs. Snyder had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y. Adv.

Resting in the Mountains.

Lt. Orlo Quinn, brother of our local physician, Dr. C. W. Kirk, is spending his summer in the mountains of the southland, "a hundred miles from no where." Lt. Quinn is still connected with the Rockwell Aviation Fields at San Diego and was recently sent out on an expedition across Arizona. It was there, after hours of strenuous flying, that he became overcome with the heat and was sent back to the mountains for a rest.—Hopkins Journal.

$4.30 MARKET TOPPERS

Hepburn Bros. Ship Load of Fancy eHrefords to Chicago in 1896 That Topped the Market at $4.30 per Hundred.

The following taken from a recent copy of the American Hereford Journal of Kansas City is taken from this week's Hopkins Journal:

Back in the early '70's the clear vision of Col. J. L. Hepburn, now president of the Farmer's Mutual Fire and Lightning Insurance Company of Hopkins, Mo., saw the stock-raising possibilities of Nodaway county, and with his brothers he started the fine stock business of Hepburn Bros. whose cattle for nearly a half century were a standard of excellence. Their farm consisted of 600 acres. When they located east of Hopkins they had only about $1,000 between them, but they delivered the goods and accumulated a small fortune.

After several years of experimenting Hepburn Bros. chose the Hereford as the real moneymaker in the cattle line That this choice was correct was demonstrated when in May, 1896, their White-face steers topped the Chicago market, the papers quoting them as "a car of double extra Hepburn steers at $4.30, average weight 1,257 pounds." This sale caused comment all over the country. Now, nearly a quarter of a century later, Colonel Hepburn still refers happily to it.

In relating his experience he says: "I was looking around for a better class of cattle than we had. I wanted something to mature earlier, more uniform, hardier and better rustlers. I solved the problem when I purchased the registered Hereford bull Prince Philip, about 15 years ago.

"I was laughted at when I landed him in Hopkins, but when our steers went to market a year younger than formerly, and later when we topped the Chicago market in 1896, the neighbors began to take notice and took to raising Hereford cattle of their own.

"I think I have been instrumental in starting a large number of the eHreford herds in this country and Canada, for some of our prominent breeders made their first purchase from our herd.

"We carefully avoided inbreeding and were careful to have our cows in good condition but not too fat, for we fund that to much fat spoils the breeding qualities of the cow, if she breeds at all.

"I am convinced from my long experience that for beef purposes the Herefords the the real cattle. To keep them so now rests with the breeders. Let them never cease striving to make the best still better.

"How time flies! I recall the fat-stock show at Chicago, held on the Lake Shore Drive, now Grant Park, when T. L. Miller and others showed Herefords. I attend two of these shows and witnessed the block test, which more than ever convinced me that it would take more than blind prejudice to keep the Herefords from their proper place—first among the beef breeds."

It is estimated that there are a thousand regularly ordained women ministers in the United States.

"These Two Labor Savers Have Cost Me Nothing!"

"When I consider the saving in time on the part of mlself and my laundress, the saving of clothes (because they are no longer rubbed away on a washboard) and the fact that I can be independent of launderies, I can rightly say that my Electric Iron and Washer cost me nothing.

"As a matter of common business sensce these two electrical appliances should be considered as an investment. They are not an expense."

Your clothes will be washed and ironed better and uicker when you use an Electric Washer and an Electric Iron.

We can arrange to finance your investment on easy terms.

S. T. C. FALL TERM TO OPEN SEPT. 9

INDICATIONS THAT ENROLLMENT WILL BE CONSIDERABLY INCREASED

NEW FACULTY MEMBERS

Dr. J. F. Rogers, Miss Margaret James, Miss Julia Isensee and Prof. H. A. Foster Accept Positions.

The fall term of the State Teachers College will open Sept. 9. From inquiries received from prospective students, it seems probable that the enrollment will be considerably increased. The administration is very busy at present planning to care for the work of next year.

Miss Mable Arnett, who has been teaching in the College this summer, will continue in the educational department here next year. This still leaves one position in this department yet to be filled.

Miss Margaret James of New York City will have charge of the work in public school music. She has had her training under private teachers in New York and at Teachers College.

Miss Julia Isensee has been chosen as director of physical education for women. Miss Isensee is a graduate of the University of North Dakota and has had some work at the Chicago Normal School of Physical Education. For the past two years, she has been an assistant in the department of physical education in the University of North Dakota.

Dr. J. F. Rogers has been secured as director of the department of physical education and public health. He is a graduate of the New Haven Normal School of Gymnastics and of the Yale Medical College. He has almost finished the requirement of the Yale school for the degree of Doctor of Public Health. Dr. Rogers has served as assistant in the Yale Medical College, teaching anatomy, physiology and physical diagnosis. He was also medical inspector of the New Haven schools. Dr. Rogers is editor of the Proceedings of the Connecticut State Medical Society.

Mr. Henry A. Foster, who has been with the Y. M. C. A. abroad for the last year, will resume his work in the history department.

Miss Tessie Degan has been appointed private secretary to President Richardson, Miss Ward having resigned on account of ill health.

Other appointments are not ready for announcement at this time, but all applicants under considerations have had first class training in their particular line and a complete and efficient force of instructors will be on hand Sept. 9.

FORMER SHERIDAN WOMAN KILLED IN AUTO ACCIDENT

Mrs. Ross Strawbridge in North Dakota: Was Former Student at College Here.

Mr. and Mrs. R. A. Strawbridge received a message last evening stating that their son's wife, Mrs. Ross Strawbridge, had been killed in an automobile accident. No particulars of the accident were given. Mr. Strawbridge who lives with his family on a ranch near Stanton, N. Dak., left this morning with the body for Sheridan, Mo., the home of Mrs. Strawbridge's mother, Mrs. Ella Armstrong, where the funeral will be held. Mr. and Mrs. Strawbridge of this city will attend the services.

Mrs. Strawbridge, about 30 years old, was formerly Miss Bess Armstrong and she and Mr. Strawbridge were married nearly eight years ago. They have two children, Opal and Richard, who with the father survive. Her mother and a brother and two sisters also survive. Mrs. Strawbridge was a student at the State Teachers College here before her marriage.

COLORED PEOPLE WILL CELEBRATE

EMANCIPATION PROCLAMATION AND DOUGLAS CORNER STONE LAYING

K. C. BAND IS TO PLAY

Many Features at Emancipation Celebration; "Shike" Smith to Give "Human Fly" Demonstration.

The oolored citizens of Maryville have made plans for a big day tomorrow, the occasion being the two fold celebration of the signing of the emancipation proclamation and the corner tone laying of the new Douglas school in this city.

The program will begin promptly at 10:30 o'clock tomorrow morning with a band concert at the court house square. The American Federation of Musicians, known as the Knight Templar band of Kansas City, will furnish the program under the direction of J. Louis Gamble. Following the concert, a parade will form at the Colored Masonic Hall at 1:30 and will march to the Douglas school where Mayor W. O. Gerrett will make an address of welcome in behalf of the city of Maryville. Prosecuting Attorney Charles E. McCaffrey will speak in behalf of the county, and E. E. Williams, in behalf of the School Board will tell of the progress of Douglas school during the past years. After his talk, he will present the stone laying tools to Grand Master Fields. Under direction of Grand Master Fields, the ceremony will be conducted by the W. W. Grand Lodge of Missouri and jurisdiction.

Following the ceremony, Prof. J. M. McDonald, superintendent of the Maryville schools, will make an address on the past conditions of the school and the necessity of future attendance and co-operation.

The emancipation celebration will be held at the high school grounds immediately following the corner stone laying.

Hon. N. C. Crews, editor and orator, who has been coming here for the past score of years will deliver the principal address, taking a general patriotic topic as his subject. He will be followed by Dr. Clement Richardson, president of Lincoln Institute, Major E. C. Braniger, late of the United States Army, and other speakers. Mrs. W. A. Mitchell, Jr., of Maryville, will read the Emancipation Proclamation in full.

Following the talks a free for all pie eating contest will be held and a number of foot races and other athletic events. One of the big features of the celebration will be the "human fly" exhibition of "Shike" Smith, who will scale the court house wall at 7:30 p. m. At 8 o'clock a big public band concert will be held at the court house square and the closing events will be a dance at the Armory and a reception at the Masonic Hall.

Miss Rilla Oliver of Broken Bow, Neb., is visiting Miss Irene Aley of Arkoe. Both young ladies will leave Monday for Kansas City to remain until August 8 when they will go to Broken Bow, where Miss Oliver is in the millinery business. Miss Aley is her trimmer.

TO START WORK ON M-C TRAIL

PLANS MADE AT ATLANTIC MEETING FOR NEW AUTO HIGHWAY

AN ASSOCIATION FORMED

Clarinda Com'l Club to Start Work: Cost of Marking to Be Shared by Towns Along Route.

Plans for the beginning of active work on the new M-C automobile trail which is to extend Maryville to Carroll, Iowa, were taken at the meeting last night at Atlantic, Iowa, which was attended by representatives from the various towns along the route. George A. Pickens, C. F. Remus, M. A. Hahn, and Paul Pickens, attended from Maryville, and G. L. Yaple of Burlington Junction, and Guy Clary of Clearmont, were also present.

During the meeting an election of officers of the M-C Trail Association was held, and the following men were chosen as officers: President, Mr. Hansen, Secretary of the Commercial Club at Atlantic; Vice President, Geo. Weaver, Audubon, Iowa; Secretary-Treasurer, Lester Milligan, Clarinda.

A director was appointed from each town represented at the meeting, and each town belonging to the Association will be entitled to one director on the Executive Board. The Missouri Directors are: H. L. Raines, Maryville G. L. Yaple, Burlington Junction, and Roy Hanna, Clearmont.

The trail is perhaps the most needed in this section of the state as the people from the south as far as Kansas City want a well marked route and a good road from Maryville to Carroll where they can connect up with any of the late trails farther north.

The Clarinda Commercial Club has made plans for the start of work on the marking of the trail at once. A number of men will be employed at that place who will make a tour of the trail, marking the posts en route with the M-C insignia. The expense of this work will be carried equally by the various commercial clubs at the towns along the route, and each community will furnish a man to assist in the marking through the town.

The purpose of the markings will be to furnish an easy and efficient route for the tourists to follow. Two posts will be marked on every mile of straightaway and at the corners three marks will be placed to guide the traveller, with proper indicators showing the direction of the route. The mark is to be of red, white and blue stripes, with the leters "M-C" in black. Special care will be taken to mark the trail plainly through the various towns

The visiting representatives were the guests of the Atlantic Commercial Club at a banquet at that place last night.

NATURALIZATION OFFICER TO BE HERE AUGUST 4

Wants to Meet All Returned Alien Soldiers and Tell Them of New Ruling Regarding Citizenship.

Douglas Mote, United States Naturalization Examiner, has written Circuit Clerk Henry Westfall that he will be in Maryville August 4. The purpose of his coming is to talk over matters relative to the naturalization rulings and particulary the matter of the naturalization of alien soldiers who have been honorably discharged from the United States Army.

Mr. Mote wishes to meet all such honorably discharged soldiers when he is here on that day and inform them as to the method of proceedure for them to take. The government recently passed a ruling which favors returned alien soldiers in that it permits them to waive the usual method of declaration of their intentions to become citizens and does away with a considerable loss of time between the taking out of the first and last papers.

ICELESS DAYS MAY COME INTO VOGUE

WM. EVERHART SAYS SUPPLY IS DOWN TO 50%—FAMINE LIKELY

"CAN'T GET THE WATER"

Can Furnish Ice If He Can Get Water —City Engineer Says There Is Normal Supply.

"Last summer it was meatless and wheatless days that took the joy out of life but now it is to be iceless and waterless days for Maryville," said William Everhart of the Everhart Ice Co., in an interview this morning. "The ice situation in Maryville is reaching a critical stage, due to the shortage of the water supply."

"The supply of natural ice is gone and my artificial ice plant is the only source of ice for the city of Maryville. I cannot buy ice in St. Joseph or Kansas City because they have none for out of town trade as the supply for themselves is not sufficient. This morning a call came to me from Kansas City, asking me to ship them ice, which shows that there is little hope of shipping ice into Maryville to make up for the shortage here.

"My plant has a capacity of a little more than fifteen tons per day. The demand for ice in Maryville during the distressingly hot periods like the present runs from fifteen to twenty tons per day.

"At present I am only turning out a little more than half my capacity for the simple reason that the water supply is only fifty per cent normal. The engineer at the water station tells me that the old pumps simply will not pump a sufficient quantity of water and there is no immediate remedy in sight.

"I have been forced to refuse ice the past few days to people, many of them farmers, because there was not enough to supply them and the business houses of Maryville that must have ice.

"The hospitals, hotels, restaurants, meat markets, and other establishments which must have ice for the keeping of their produce from spoiling must be supplied. People will have to quit the making of ice cream and the use of ice except for necessary purposes because the situation grows worse daily and, so far as I can see, there is no hope for relief in sight."

The engineer at the water plant stated today that there is no serious shortage of water and no cause for worry because the water supply and pressure are nearly normal today. He admitted that for a part of the time yesterday there was very little pressure, but it was not the fault of the pumps which recently have been overhauled and put into good condition. While the dam was being fixed the water supply was for a time cut short, but the dam has been repaired and there will be no more trouble from that souce now. Mayor Garrett is out of town today so that no statement could be gotten froom him.

Guest at Burris Home.

Miss Ruth Smith, a registered nurse of St. Joseph, came last night for a visit at the home of Rev. and Mrs. W. P. Burris.

NODAWAY FARMER TAKES OWN LIFE

CHARLES E. SPRAGUE A SUICIDE AT HOME LAST NIGHT

MENTALLY UNBALANCED

Lower Part of Head Blown Away by Shotgun Charge; Was to Have Been Taken to St. Joe Hospital Today.

Charles E. Sprague, 50 years old, a farmer living 4½ miles northwest of Maryville, committed suicide at his home at 7:15 o'clock last night, using a 12 guage shot gun to blow away the entire lower part of his head.

Sprague had been suffering from melancholia for the past fifteen years, and had recently been paroled from Hospital No. 2 at St. Joseph. During the past few days his condition has become worse and plans were made by Sheriff Dowden to return him to the hospital this morning. This is thought to have been the cause of his rash act last night.

According to John Sprague, father of the dead man, his son had never married and was making his home at the farm with his father and an aunt, Mrs. Ella Sprague.

Fifteen years ago Sprague was adjudged insane by the county court here and was sent to the hospital at St. Joseph. After spending several years there he was paroled, and returned to the farm, where up until about two months ago he had been engaged in successful agricultural work, suffering only short intermittent spells of the ental trouble. Early last June he became worse and was taken to the hospital by Sheriff Dowden, and spent one month there. He was later paroled and since that time has appeared fairly well balanced and has been carrying on the usual work and management of the farm.

Within the past few days, however, he began to worry about the threshing and other work of the farm, and according to his father, continually talked of the difficulties in getting help. Yesterday he seemed to be more worse than ever, and the idea that he was to be taken back to the hospital this morning is thought to have preyed on his mind to such an extent that he determined to take his life last night.

The elder Sprague stated today that when his son came to the house from the fields last night, he went immediately to his room. He was called for supper but did not respond and within a short time a shotgun report was heard and he was found lying dead across the bed. The shotgun containing an undischarged shell was lying on the floor near the dead man. From the position of the body it was evident that he was in a sitting posture on the bed when he committed the act. The entire lower part of his head was torn away by the charge.

According to the dead man's father, his son has never actually spoken of an intention to take his own life, but has often made remarks which suggested that he might resort to such an act. At times he appeared bright and cheerful, but during the spells of melancholia would shun the companionship of others, and would sometimes go for several days without uttering a word.

Following the tragedy last night, the body was brought to the Price & McNeal undertaking establishment in this city.

Aside from his father and aunt which whom he has been making his home, the dead man has no immediate relatives.

The final arrangements for the funeral have not yet been made.

SOVIET INDEPENDENCE DECLARED BY COMMUNISTS

Soviet Troops at Budapest Refuse to Quell Demonstration of Striking Metal Workers.

FOUR TEACHERS SELECTED AT SCHOOL BOARD MEETING

To Extend Vocational Work in Maryville Schools; To Come Under Approval of Smith-Hughes Act.

At a meeting of the school board held last evening four teachers were selected. Miss Hazel K. Perry of Maryville was chosen as the Latin teacher in the high school at a salary of $85 a month. Miss Perry taught last year at Salisbury, Mo.

Miss Doris Clutter of Hopkins, was chosen as a grade teacher at a salary of $65 a month.

Miss Katherine Carpenter of Maryville was selected as the Smith-Hughes teacher in Domestic Science and Home Economics on condition that the school be approved under the Smith-Hughes act. By terms of the Smith-Hughes act the state and federal governments assist the local district in paying half the salary of a vocational teacher after the school has been approved. This vocational work is an extension of the subjects along the same line which have been given in Maryville. The girl who takes the vocational home economics course will spend half of her time for two years in the study of home economics alone. In home economics such projects are suggested as making a simple dress, mending one's own clothing, keeping account of the household expenditures, designing and construction of hats, or marking out and following an ideal clothing budget for a high school girl for two years. The purpose of such a course is to give practical instruction to the student in things the student will be doing for a great part of the time, after school days are over. Miss Carpenter's salary was fixed at $100 a month.

Loren Schnabel, who is attending the State Teachers College, was employed on half-time as assistant in manual training at a salary of $30 per month.

The board ordered that four new typewriters be purchased and that four typewriters be rented for the commercial department.

FUNERAL SERVICES FOR WILLIAM MORTON TOMORROW

To Be Held at 2 P. M. at Wesley Chapel —Other Accident Victims Expected to Recover.

Funeral services for William Morton, who was killed yesterday morning in an accident at the Craig crossing when the Burlington passenger train struck the car in which he was riding, will be held tomorrow afternoon at 2 o'clock at Wesley Chapel six miles west of Maryville.

William Wiseman and Delbert Morton, who were injured in the accident, were reported as doing fairly well today and are expected to recover.

15,000 Employees to Vote for Acceptance or Rejection of Compromise Terms.

Chicago, July 31.—A referendum election expected to lead to the settlement of the street car strike will be held tomorrow when fifteen thousand employes of the surface and elevated lines vote for acceptance or rejection of the compromise submitted by the traction companies. The referendum was ordered by W. D. Mahon, international president of the carmen's union after conferences with union officials, company officials and state authorities.

TROOPS BATTLE BLACK RIOTERS

SOLDIERS CAPTURE SEVEN ARMED NEGROES IN CHICAGO LOOP

WHITES RENEW FIGHTING

Negroes Returning to Work at Stockyards Attacked by Whites Several Injured.

Chicago, July 31—Despite the presence of six thousand troops, armed with rifles, bayonets and machine guns, in the riot zone, race rioting broke out again today on the South Side when a mob of whites attacked negroes who sought to return to work at the Stockyards. Soldiers allowed the colored workers to pass through the stockyards gates. The whites immediately attacked the negroes, driving them into packing town. Several were injured.

Chicago, July 31.—The United States troops took a hand in fighting in riots for the first time today when Captain Maloney in charge of the motor transport corps permanently located here, ordered the men to return the fire of an automobile load of negroes who made a dozen trips around the block in which the motors of the company are located, fired at the troops each times they passed. The troops took up the pursuit and captured seven men and two revolvers, and a quantity of ammunition, which they turned over to the police.

WILSON TO TAKE DRASTIC ACTION ON H. C. L. SITUATION

"Reduce The Daily Increasing High Cost of Living or Face Bread Riots" is Warning.

Washington, July 31.—"Reduce the daily increasing high cost of living or face bread riots". That in effect is the chief slogan that is being impressed on President Wilson and his chief aid by the National Labor Sociological leaders. It is expected here that President Wilson in the near future will ask Congress to take drastic action to end the situation which is daily becoming more intolerable. "The president is giving deep and thoughtful consideration to the question of the high cost of living" said Secretary Tumulty today.

U. S. TA SHARE IN INDEMNITIES FROM HUNS

Bernard Baruch Declares Wilson does Not Favor Reparations From Germany.

Washington, July 31.—President Wilson's view is that the United States should not share in the indemnities to be paid by Germany, Bernard Baruch, confidential advisor to the president at the peace conference, told the senate foreign relations committee today, at the first public hearing on the treaty of Versailles. Baruch stated that the distribution of the indemnities to be paid by Germany is still to be determined.

MISSOURI PIONEERS PLAN FOR PICNIC NEXT SATURDAY

Affair to Be Held at New Florence, Near Montgomery; Governor Gardner to Talk.

Montgomery, Mo., July 31.—The thirty-eighth annual meeting and picnic of the Missouri Old Settlers' Association will be held at New Florence near here, Saturday.

Men who served in the army and navy during the war will be honor guests, and there will be several speakers of prominence. Those who have accepted invitations include Governor Gardner, former Governor Joseph W. Folk and former Senator Xenophon P. Wilfley.

General Pershing has written from France a message to the people of his home state.

Conditional acceptances have been received from former Speaker Champ Clark and Senator Selden P. Spencer, who say they will be present if their duties at Washington do not interfere.

President H. C. Turner of the association has issued a general invitation to all Missourians to take part in the event.

Probably the oldest person in attendance will be Mrs. Mary Sharp, who will celebrate her 100th birthday anniversary next year. She was born in Shelbyville, Ky., and came to Missouri in 1839, to teach in the Robinson Seminary at Danville.

Mrs. Mary See, 86 years old, also is expected to attend.

INCREASE RATE APPLICATIONS

Jefferson City, July 31.—Two applications for increased rates will be heard at Sedalia by Commissioner Simpson and Flad of the State Public Service Commission August 11 and 12.

One is for an advance of street railway fare in that city from five to six cents.

The other is an application of the City Water Works Company which not only seeks a sharp advance in rates but an increase in the valuation of its property and plant by the commission.

BELIEVE SEVERAL KILLED IN TULSA EXPLOSION

Tom Culver Is Home.

Tom Reily Culver, son of Mr. and Mrs. William Culver, who live at the corner of Ninth and Fillmore, arrived in Maryville last night from Camp Zachary Taylor where he was recently discharged.

Tom left Maryville to enter military service Nov. 10, 1917, going in the Reserve Signal Corps. In February, 1918, he went overseas and for a year and a half served Uncle Sam as a Signal Corps man on foreign soil.

Mr. Culver was employed at the Hanamo Telephone Co. when he left and will take up his work again with that company in a few days. He was the last of four of the telephone employees who enlisted May 31, 1917, in the Reserve Signal Corps to return home. The other three were: Homer Cecil Dragoo, Charles Bell Ellis, and Bliss Fred Clark. Although these men enlisted in May they were not called until the following November.

Miss Louise Lee of St. Joseph, who has been visiting at the home of Ruth Young, returned to her home yesterday.

WHEAT MAKES 20 BUSHELS AN ACRE ON SHUPE FARM

Is Threshing Out a Large Wheat Crop on Platte River—Neighbors Assist Mrs. Shupe.

E. Shupe, a farmer living three miles south of Ravenwood on the Platte river, is threshing out his wheat of which he has several hundred acres. The grain is making a yield of twenty bushels to the acre on an average.

Mr. Shupe lost a considerable quantity of wheat on July 4 when the Platte river flooded a part of his fields and washed away about fifty loads of shocked grain.

The neighbors have been very kind in assisting Mrs. Shupe with the preparation of meals for the many threshers. The assistants who so willingly lent their services to Mrs. Shupe were: Mrs. Ellsworth, Mrs. Hawk, Mrs. Davenport, Mrs. C. T. Brown, Mrs. Henry Moore, Mrs. Riley, Miss Margaret Davenport and Miss Florence Brumbaugh.

Mr. and Mrs. Thomas Lyons spent Sunday in Parnell with Mr. and Mrs. George Spire.

Mrs. A. D. Arnett and children, Robert and Gertrude, expect to leave the latter part of the week for Bellingham, Wash., where they will make their future home.

New Silks for Late Summer and Fall

These beautiful fabrics are becoming more and more popular as the season advances, and to keep pace with the constant demand we have been obliged to replenish our stock from time to time, and each new arrival seems to be just a little prettier than usual.

This line includes all the styles of silk fabrics and the patterns and colorings are especially handsome.

In the lighter weights you will find an excellent assortment for the vacation dresses, skirts and blouses so necessary to the "going away" wordrobe.

In the heavier silks for dresses, blouses and trimmings or for fall wraps, suits and coats, we are sure our showing will more than please you.

In these silks quality is the first consideration, but prices are very reasonable and values are never surpassed and seldom equaled.

The Value of Your Tractor Is Based on the Service It Gives

IF it works all the time it is worth all you pay for it. You can keep it working all the time by using the right kind of lubricating oil.

One burned out bearing will offset the cost of a year's supply of lubricating oil. The Standard Oil Company has prepared three oils —

Heavy Polarine Oil
Stanolind Tractor Oil
Extra Heavy Polarine Oil

Years of experience and study have developed that one of these three oils is the correct oil for you to use. The nearest Standard Oil representative has a chart prepared by our Engineering Staff, which indicates the correct oil for you to use to get the best results in your particular tractor.

We have just published a 100-page book, "Tractors and Tractor Lubrication," prepared by our Engineering Staff, which you will find a valuable reference book, and we believe it will save you many days of tractor idleness with the resultant money loss. It's free to you for the asking. Address

Social, Clubs Churches

Our Side of the Case.

It is an easy job they say
This knocking out the news;
A wedding here, a party there,
Sometimes a week-end snooze.

A bathing party on the beach,
A picnic at the park,
A "little game" when the sun is bright
And many when it's dark.

But when the day is long and hot
And we don't know what to say,
Well—we have to resort to stuff like this
To try and earn our pay.

W. C. T. U. Meeting.

The Woman's Relief Corps will meet in regular session tomorrow afternoon at 2:30 o'clock.

I. X. L. Club.

Twelve members of the I. X. L. Embroidery Club were entertained informally yesterday afternoon by Mrs. Robinson Craven, at her home on West Second street. The afternoon was spent in needlework, after which light refreshments were served by the hostess and Mrs. Cooper Gooden. Mrs. Harry Kerr of Des Moines, Ia., and Miss Leone Kelly of Manti, Utah, were guests of the club.

Mrs. Ford Hostess.

Mrs. J. D. Ford was hostess yesterday afternoon to the Penelope Club, when ten members and a number of visitors were entertained. The time was spent socially and refreshments were served by Mrs. Ford, assisted by seven College students, who make their home with Mr. and Mrs. Ford. Misses Veturia Faubion, Winifred Drake, Marjorie and Ruby Ewing, Kahla Bennick, Grace Miller and Nona Pousch. Additional guests were Mrs. Brint Embree, Mrs. Paul Hogan, Mrs. W. C. Hogan, Mrs. W. J. Laninger, Mrs. R. C. Seal, Mrs. Warren Jones and daughter, Elizabeth, Mrs. Alva Kelly and daughter, Pauline, Mrs. John Thompson, Miss Ruby Melvin and Mrs. G. W. Jones. It was decided to discontinue the meetings during August.

Fifty-Second Wedding Anniversary.

Judge and Mrs. Ira K. Alderman are very quietly celebrating their fifty-second wedding anniversary today at their home on South Main street. On the 31st of July, 1867, Judge Alderman married Miss Hallie S. Lallance, of French-American origin, daughter of John Lallance, a resident of Ohio. She was born in Meigs County, Ohio, May 12, 1845. Their family consists of three children, Dale V. Alderman of St. Joseph, who came to spend the day with his parents, Mrs. Ade A. Bingaman of Cordell, Okla., and Ira Verne Alderman, proprietor of the I. V. A. hotel in this city.

Judge Alderman was born in Morgan County, Ohio, May 23, 1841. When seventeen years of age he commenced teaching, and after having taught three years the war broke out. He enlisted on the 12th of August, 1861, in Company B, Thirty-sixth Ohio Volunteer Infantry, which was under General George Crook. He served for over three years, taking part in some of the hardest fought battles of the war. He was discharged at Columbus, Ohio, on the 14th of September, 1864. In the latter part of December, 1865, he came to Maryville, where he engaged in teaching. In the summer of 1867 he returned to Ohio. In October, 1868, he returned with his wife to Maryville. The fall of 1870 he was elected judge of the probate court of Nodaway County and filled this position for four years. He commenced the study of law while in Ohio, but completed his studies here, and was admitted to the bar in 1871. In 1874 he actively engaged in the practice of the law, his profession. Judge Alderman has been an active member of the First M. E. Church for a number of years.

This estimable couple, who have made their home in Maryville for fifty-one years, have a host of friends who extend congratulations and wish them many happy returns of the day.

For Returned Soldier.

Mr. and Mrs. John Lowrance entertained with a basket dinner Sunday in honor of the return from service of their son, Earl. The afternoon was spent socially and ice cream was served. The following guests were present: Mr. and Mrs. Ed Clark, Mrs. Jessie Winger and family, Mr. and Mrs. Ed Lowrance and son, Mr. and Mrs. John Hughes and daughter, Edna, Mrs. D. B. Linville and family, Mr. and Mrs. Lewis Daise and daughter, Ellen, Philip Shull, Mr. and Mrs. Joseph Shull, Frank Lawson, Mr. and Mrs. Walt McGinness and daughter, Leora, Mr. and Mrs. Tom Groves, Mr. and Mrs. Charley Groves, Mr. and Mrs. Dallas Groves and son, Max, Mr. and Mrs. George Gaddy and family, Mr. and Mrs. Harry Wright, Mrs. Pearl Rollans and children, Leone and Loran, Gladys Neuffer, Misses Ethel McCombs, Marie Howland, Lora nad Florence Gaddy, Verde Owens, Marie Frost, Nettie Sperling, Harriet and Ted Wright and Lela Wessel.

Automobile Trip.

The Junior congregation of the Baptist church will be entertained with an automobile trip to Skidmore, Burlington Junction and other places in the county tomorrow afternoon, after which they will return to Maryville for a picnic supper at the College Park. The congregation includes seventy-five or eighty Sunday School children who have attended church 90 per cent of the time during the last four months. Automobiles will leave the church at 1:30 o'clock in the afternoon.

I. I. Club Meeting.

The I. I. Club met yesterday afternoon at the home of Mrs. Lon Hughes. At the business meeting officers for the coming year were elected as follows: President, Miss Ilene Babb; vice president, Mrs. F. L. Wynn, and secretary-treasurer, Mrs. John Deardorff. The remainder of the time was spent socially and refreshments were served by the hostess. Those present were Mrs. Charles Garrett, Mrs. Ed Babb, Mrs. Brice Hall, Mrs. Jos. Cockayne, Mrs. John Deardorff, Mrs. James Onstott, Mrs. Clade Shell, Mrs. Clarence Duncan, Mrs. Ray McDowell, Misses Lida Onstott, Sarah Garrett, Irene and Leta Babb, Pearl Booth, Ella Marjorie Shell, Oren Garrett, Lester Hall, Swinford Shell, Theocore and Vilas Cockayne, Forrest McDowell and Raymond Deardorff. The next meeting will be August 13 at the home of Mrs. John Halasey.

Some Pancake!

If all the wheat that Kansas is raising this year were ground into flour and made into one pancake, that pancake would cover six hundred square miles, says

The COUNTRY GENTLEMAN

in the issue of August 2—the first you will receive if you send me your subscription today. It would take forty-eight million pounds of butter, and forty-five million gallons of molasses to cover the big pancake. And Kansas boasts that she raises it all.

This year's wheat crop interests every farmer, for every one put in as much as he could to get some of the Government's $2.26 fixed price. What are you going to raise next? Sheep? Here's an article about the Corriedales. Velvet beans? Here's their story from A to Z. Pigs? Here's their story, too. Berries? Here's all about this year's crop and next year's prospects. Whatever it is you raise—crops, livestock, fruit, truck or poultry—you will find help in THE COUNTRY GENTLEMAN. The cost? It's almost nothing at all in comparison. Only one dollar for a whole year, with 52 big weekly issues. Why miss another number? Send your name and your dollar *today*.

A THOROUGH TEST.

One to Convince the Most Skeptical Maryville Reader.

The test of time is the test that counts.

Doan's Kidney Pills have made their reputation by effective action.

The following case is typical.

Maryville residents should be convinced.

The testimony is confirmed — the proof complete.

Testimony like this cannon be ignored.

Mrs. R. Snyder, 1008 E. Third St., Maryville, says: "I had pains across my kidneys for sometime. I felt tired all the time and couldn't rest well at night. Doan's Kidney Pills gave me great relief. The pain from my kidneys left, the feeling of languor disappeared and my health improved." (Statement given October 2, 1912).

On June 12, 1916, Mrs. Snyder said: "It hasn't been necessary for me to use a kidney medicine for about two years now, so I know Doan's Kidney Pills have given me permanent benefit. I gladly endorse this medicine, for I think highly of it."

Price 60c, at all dealers. Don't simply ask for a kidney remedy — get Doan's Kidney Pills — the same that Mrs. Snyder had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y. Adv.

Pickering Christian Church.

For several years Pickering Christian church has held an "Annual Meeting." Next Sunday morning the pastor will preach at the morning hour, then there will be an old fashioned "Basket Dinner," on the church lawn, and in the afternoon Rev. R. E. Snodgrass of Maryville, will preach. There will no night service. Come, and bring a full basket.

Resting in the Mountains.

Lt. Orlo Quinn, brother of our local physician, Dr. C. W. Kirk, is spending his summer in the mountains of the southland, "a hundred miles from no where." Lt. Quinn is still connected with the Rockwell Aviation Fields at San Diego and was recently sent out on an expedition across Arizona. It was there, after hours of strenuous flying, that he became overcome with the heat and was sent back to the mountains for a rest.—Hopkins Journal.

$4.30 MARKET TOPPERS

Hepburn Bros. Ship Load of Fancy eHrefords to Chicago in 1896 That Topped the Market at $4.30 per Hundred.

The following taken from a recent copy of the American Hereford Journal of Kansas City is taken from this week's Hopkins Journal:

Back in the early '70's the clear vision of Col. J. L. Hepburn, now president of the Farmer's Mutual Fire and Lightning Insurance Company of Hopkins, Mo., saw the stock-raising possibilities of Nodaway county, and with his brothers he started the fine stock business of Hepburn Bros. whose cattle for nearly a half century were a standard of excellence. Their farm consisted of 600 acres. When they located east of Hopkins they had only about $1,000 between them, but they delivered the goods and accumulated a small fortune.

After several years of experimenting Hepburn Bros. chose the Hereford as the real moneymaker in the cattle line. That this choice was correct was demonstrated when in May, 1896, their White-face steers topped the Chicago market, the papers quoting them as "a car of double extra Hepburn steers at $4.30, average weight 1,257 pounds." This sale caused comment all over the country. Now, nearly a quarter of a century later, Colonel Hepburn still refers happily to it.

In relating his experience he says: "I was looking around for a better class of cattle than we had. I wanted something to mature earlier, more uniform, hardier and better rustlers. I solved the problem when I purchased the registered Hereford bull Prince Philip, about 45 years ago.

"I was laughted at when I landed him in Hopkins, but when our steers went to market a year younger than formerly, and later when we topped the Chicago market in 1896, the neighbors began to take notice and took to raising Hereford cattle of their own.

"I think I have been instrumental in starting a large number of the eHreford herds in this country and Canada, for some of our prominent breeders made their first purchase from our herd.

"We carefully avoided inbreeding and were careful to have our cows in good condition but not too fat, for we fund that to much fat spoils the breeding qualities of the cow, if she breeds at all.

"I am convinced from my long experience that for beef purposes the Herefords the the real cattle. To keep them so now rests with the breeders. Let them never cease striving to make the best still better.

"How time flies! I recall the fat-stock show at Chicago, held on the Lake Shore Drive, now Grant Park, when T. L. Miller and others showed Herefords. I attend two of these shows and witnessed the block test, which more than ever convinced me that it would take more than blind prejudice to keep the Herefords from their proper place—first among the beef breeds."

It is estimated that there are a thousand regularly ordained women ministers in the United States.

"These Two Labor Savers Have Cost Me Nothing!"

"When I consider the saving in time on the part of mlself and my laundress, the saving of clothes (because they are no longer rubbed away on a washboard) and the fact that I can be independent of launderies, I can rightly say that my Electric Iron and Washer cost me nothing.

"As a matter of common business sensce these two electrical appliances should be considered as an investment. They are not an expense."

Your clothes will be washed and ironed better and nicker when you use an Electric Washer and an Electric Iron.

We can arrange to finance your investment on easy terms.
